## **Township Manager's Office**

**October 5, 2020**

**PRESS RELEASE \*\*\*\*\* FOR IMMEDIATE RELEASE \*\*\*\*\* PRESS RELEASE**

### **The Charter Township of Mundy COVID-19 Mitigation Measures**

In response to the ongoing COVID-19 pandemic, the following preventative actions are being taken by the Charter Township of Mundy Township effective October 5, 2020.

Township offices will be closed to the public the week of October 5, 2020. If you require assistance, or for any questions, please contact the appropriate department by phone at (810) 655-4631, or email: [contact@mundytwp-mi.gov](mailto:contact@mundytwp-mi.gov). Limited staff is working during this time – please leave a message and it will be returned.

All in person payments, absentee ballots/applications, and any other forms or paperwork **MUST UTILIZE THE DROP BOXES** located on the left of the one-way entrance drive to the township hall (by the flag pole). Late payment penalties and utility shut-offs are currently suspended; any overages will be credited to the account for the next billing cycle. Online payments are still available for utilities, current year tax payments, and building department services. As always, payments may also be made via U.S. Mail.

These preventative measures are being taken to protect the health, safety, and welfare of our residents and employees. They will remain in effect until further notice.

#### **TOWNSHIP CONTACT INFORMATION:**

**810-655-4631, then the appropriate extension. Limited staff is working during this time – please leave a message and it will be returned.**
