PRESS RELEASE *** FOR IMMEDIATE RELEASE ***** PRESS RELEASE**

The Charter Township of Mundy COVID-19 Mitigation Measures

In response to the ongoing COVID-19 pandemic and Michigan Department of Health and Human Services (MDHHS) November 15, 2020 Emergency Order under MCL 333.2253 – Gatherings and Face Mask Order, the following preventative actions are being taken by the Charter Township of Mundy Township effective November 17, 2020.

Township offices will be closed to the public, with limited appointments, until December 9, 2020. If you require assistance, or for any questions, please contact the appropriate department by phone at (810) 655-4631, or email: contact@mundytpw-mi.gov. Township staff are working remotely during this time – please leave a message and it will be returned.

All in person payments, and any other forms or paperwork, MUST UTILIZE THE DROP BOXES located on the left of the one-way entrance drive to the township hall (by the flag pole). Late payment penalties and utility shut-offs are currently suspended; any overages will be credited to the account for the next billing cycle. Online payments are still available for utilities, current year tax payments, and building department services. As always, payments may also be made via U.S. Mail.

These preventative measures are being taken to protect the health, safety, and welfare of our residents and employees. We apologize for any inconvenience, and thank you for your patience during this time.
